### Detailed Review and Research Analysis - \$ 40.00 minimum to start \*

\*This minimum gives us the ability to review your submitted data, develop a research plan, identify and locate records, search for family or related persons, write a detailed report, and assemble the documentation utilizing available records of St Clair County for the specific time period. These sources we utilize may include, plat maps, newspaper articles, cemetery, probate, naturalization, funeral home, county histories, city directories, surname files to name a few.

You will then be contacted via email or phone of the findings and documentation to-date. Also, to discuss the possibility of further research based on the goals designed for your family history project. A prearranged deposit will be required prior to further research.

Review this schedule based on your research needs and include any necessary information to assist us with your request. For example, charts, or research which you have previously obtained, to expedite your specific inquiry and to avoid any duplication of results resulting in attaining any goals. Include your contact information (name, address, phone, email ) with payment for desired service by *check or money order payable to: SCCFHG Inc. P.O. Box 61143, Port Huron, MI 48061-1483*

Send a SASE or Email us for any concerns regarding those listed above or additional needs that may not apply to your specific query and we will respond to your request with a price quote.
